All boats must have sail numbers on both sides of the sail.

Conditions of Entry; A boat is entirely responsible for her own safety whether afloat or ashore and nothing, whether in the Notice of Race or Sailing Instructions or anywhere else, reduces this responsibility.

It is for the boat to decide whether she is fit to sail in the conditions in which she will find herself. By launching or going to sea, the boat confirms that she is fit for those conditions and her crew is competent to sail and compete in them.

The boat is required to hold adequate insurance and in particular to hold insurance against third party claims in the sum of at least £2,000,000.

Nothing done by the organisers can reduce the responsibility of the boat nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The organisers encompass everyone helping to run the race and the event, and including the organising authority, the race committee, the race officer, patrol boats and beach masters.

The provision of patrol boats does not relieve the boat of her responsibilities.

I/we agree to be bound by the Racing Rules of Sailing 2017 – 2020 and all other rules that govern the event. In particular we have read the above Conditions of Entry and confirm that I/we agree to its provisions and that my/our boat will conform to its requirements throughout the Series.
